“My favorite aspect of medicine is taking care of patients. I follow up with them closely to make sure that the treatment strategies are improving their quality of life.”

About Farheen Hasnain , MD

Dr. Farheen Hasnain is boardcertified in Internal Medicine and is a member of the American Medical Association. She earned her medical degree from Rawalpindi Medical College in Rawalpindi, Pakistan. She completed her residency and General Internal Medicine training at the University of Iowa Hospitals and Clinics. Dr. Hasnain and her husband have three children. When she is not working, she enjoys spending time with her family, performing community service, teaching Sunday school, crafting and cycling.

“My favorite aspect of medicine is taking care of patients,” said Dr. Hasnain. “I follow up with them closely to make sure that the treatment strategies are improving their quality of life.”
